12 YEAR SENIORS

SENIOR CLASS

There were twenty seven seniors when school started in September. First semester officers were: President, Carol Sheffels; Vice-president, James Fisher; Secretary, Rhoda Hansen; Treasurer, Del Schoolcraft.

On December 5, we gave the annual Senior Ball. The theme was Silver Bells with music by the Don Zicha orchestra. In April the juniors honored us with the Junior Prom. Rhoda Hansen and Kennard Speegle were elected king and queen of this affair by the juniors.

Second semester officers were: President, Ike Cook; Vice-president, Gordon Campbell; Secretary, Celia McAllister; Treasurer, Lloyd Axtell.

Clinton Anderson dropped to work, Arlene McLain left us to get married, and Donna Northrop transferred, leaving us twenty four in number.

On May 12, we went on our sneak. Everyone had a wonderful time on the boat trip on Lake Coeur'd Alene and up the St. Joe River. At noon we had a picnic lunch at a park. Returning to Spokane, we had a banquet at the Spokane Hotel. After we had finished eating, we spent the rest of the evening bowling and at a show. It was a sleepy group of seniors that returned home in the early morning hours.

Baccalaureate Services were held May 23, and our Commencement was on May 26.

History

On September 5, 1950, a group of 27 scared but curious freshmen entered Wilbur High School. After a while, we began to fit into the pattern of high school life. The class advisor our freshman year was Mr. Siegel. On October 6 we were initiated by the sophomores and that night they gave a party in our honor. After this we were really freshmen and began to enter into the different organizations such as Pep Club, Girls' League, W Club, Band, and Chorus.

On the 4th of September, 1951, we started our sophomore year. We could hardly wait to initiate the freshmen. The initiation took place on October 12, with a party following that night in honor of the freshmen. In our sophomore year we gained one student making us 28 strong. We also ordered our class rings and looked forward to the Junior Prom the next year. Mr. Siegel was again our class advisor.

Our Junior year started on September 2, 1952. Our class stayed the same this year with 28 students and our advisor was Mr. Rigen. We received our class rings shortly after school started. The big event of our junior year was the Junior Prom held April 11th with the theme "Tulip Time" and music by Don Zicha's Orchestra.

The class of 54 started their last year in W. H. S. on August 30, 1953. Our advisor was Mr. Pease. The class roll dropped to 24 this last year. The first big event for the seniors was the Senior Ball held on December 5th. The theme was "Silver Bells" and music was by the Don Zicha Orchestra.

The next event was the Career Day which was held April 28. The Senior Play, "The Little Dog Laughed," was also given on the 28th. On May 7th the senior girls and senior mothers were honored at a tea given by the Civic Club. Next came the Senior Sneak which was on May 12th. The sneak included a cruise on the Coeur'd Alene Lake and St. Joe River and bowling later in Spokane. On May 21 our class was honored by a very nice banquet which was given by our parents. On May 23 the senior class held their baccalaureate services and on Wednesday the 26th, 24 seniors were handed their diplomas. The girls wore white caps and gowns and the boys black. The motto in which our graduation was held was "Honor Lies at Labors Gate." The class colors were black and white and the class flower was the white rose.

Prophecy

It was the year 1983 and we were touring the world in our new radium rocket ship. Our first stop was at the McKay museum in Creston where we found Pat McKay, a renowned ornithologist, demonstrating how the "Old Crow" flew. He is also an expert on the Melipius Umbellus Umbellus, this knowledge being acquired in his high school days.

After leaving Creston and flying to the Ozarks, we were amazed to find our old school chum, Janis Wall, as the head instructor of the Ozarkies Charm School.

Going across the country to the great gambling and divorce center, Reno, we find Marvin Jensen, now married for the seventh time. He also was running a gambling joint until he went broke. His new address is Si's Tavern, Trent Avenue, Spokane, Washington.

Next we find Myrna Peasley still having a lot of love troubles. After her third divorce she has given up and retreated to her old home town, Keller, where she occupies herself writing the radio serial "My Next Husband."

After his many brushes with the law in his high school days, we find Lyle Perry as the best informed, toughest, little warden Alcatraz has ever had.

Leaving Alcatraz we travel to Almira where we visit Mrs. Ken Thompson, the former Rhoda Hansen, who is owner and manager of the Almira Silver Emporium, a famous ladies' shop that displays only Paris originals.

Next we find Jim Fisher, who owns the famous "Stagger Inn" in Reno. Here also we find Red Hot Rosy Jo, the famous dancer, who is now featuring the Cow Pasture Polka. Yes, we mean Jo Anne Reid.

Deciding to travel to Europe, we visit the charming city of Vienna. Here we find the former Mary Schultz working as a serenader on a gondola in the watery streets of Vienna to support her eight children back in North Dakota.

On our way back to the states, we visited the Fiji Islands. Here we found our old classmates Ike and Shirley running the New, Used, and Abused Car Lot. They seem to have a thriving business.

Because it was so hot on the islands, we decided to journey to Juneau, Alaska. As we were stumbling through the snow banks, we found Daryll Bahr operating his farm in Wilbur by remote control. He also does some big game hunting in the Yukon.

Going down to Fairbanks, we find Zenith Hansen, alias Willie, bouncing on her world famous trampoline. She makes a striking figure in her long red woolies doing the famous pop-over.

Due to mechanical difficulties in our radium rocket ship, we have to coast in to Grogan's Rod and Custom Shop, where we find Gordon Campbell overhauling his well-known Ingersol special which is guaranteed for life.

After having our radium ship overhauled, we sailed off to Cactus Junction where we discover the great interior decorator, Janice Wright, sketching elaborate paintings of hub caps and fender skirts for Lyle Perry's private office at Alcatraz.

Next we visit Bryn Mawyr where we find the great zoologist Lloyd Axtell, working on his latest project of trying to get a hootnanny by crossing a hoot owl and a nanny goat.

Buzzing over to Africa we find Marilynn Pfaffle, noted female cougar hunter, preparing for a great safari in the Kenya country.

Being scared out of Africa we hurry home to talk to Del Schoolcraft, the renowned circus barker, who is currently lecturing on the subject "How to Control the Tongue."

Also in the circus we find Bones' Sumerlin, who has just returned from Europe after trying to slip through the cracks in the Iron Curtain.

Next we went to the nearby town of Hollywood where we find Celia McAllister starring in the hit musical, "One Boyfriend Too Many," and the short feature "Undecided."

Next we visit the swamps of Ethiopia. Here we find Ken Speegle marooned with a mermaid. He water-skied a little too far from home on this trip.

We now swing back to the U.S. and we find Carol Sheffels and Gene Goodlake working together herding sheep in Plum Canyon. They have been trying to figure out where all the sheep have been going. They think that some of Bahr's remote control machinery went haywire and is killing sheep. Our last surviving senior is Larry Cremeen, who we found riding out in the Okanogan hills looking for a hub cap for his old Ford.

Finally all the radium in our rocket ship had radiated, and we were forced to land at Wilbur.

We, the senior class of 1954, being of sound mind and body do hereby bequeath the following items to the students remaining in W. H. S.

The majorettes have two sets of uniforms. One set is made of white wool trimmed with red. The other outfit is red corduroy trimmed with gold. The head majorette's outfits are both gold trimmed with red.

Cheerleaders

Three yell leaders were chosen by the student body after try-outs were held.

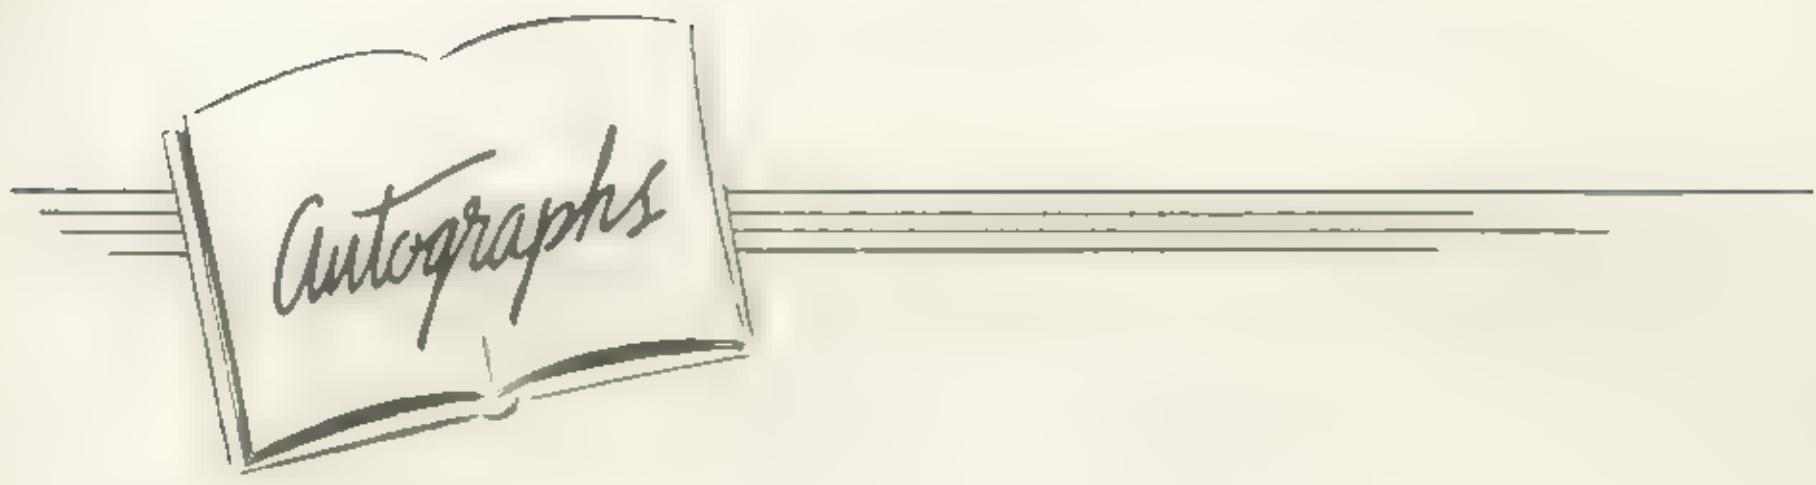

The three cheerleaders chosen were Celia McAllister, Zenith Hansen, and Beverly Fisher.

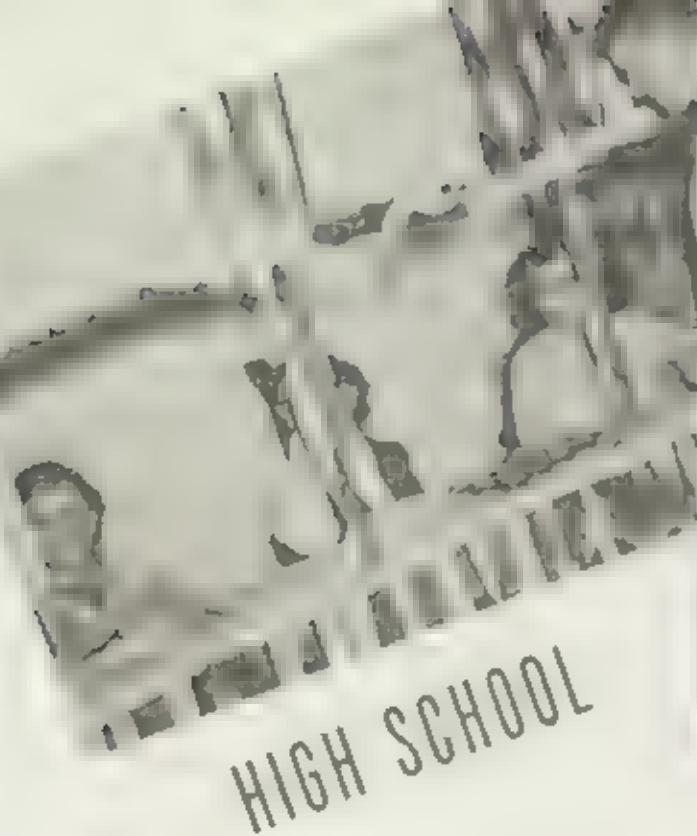

These girls served as yell-leaders through the 1953-54 school years. They attended all of the conference and non-conference games of the season in both basketball and football. They showed their pep by leading the cheering at games with new and old yells.

Their uniforms were red gabardine trimmed with gold jersey.

HIGH SCHOOL

CARNIVAL

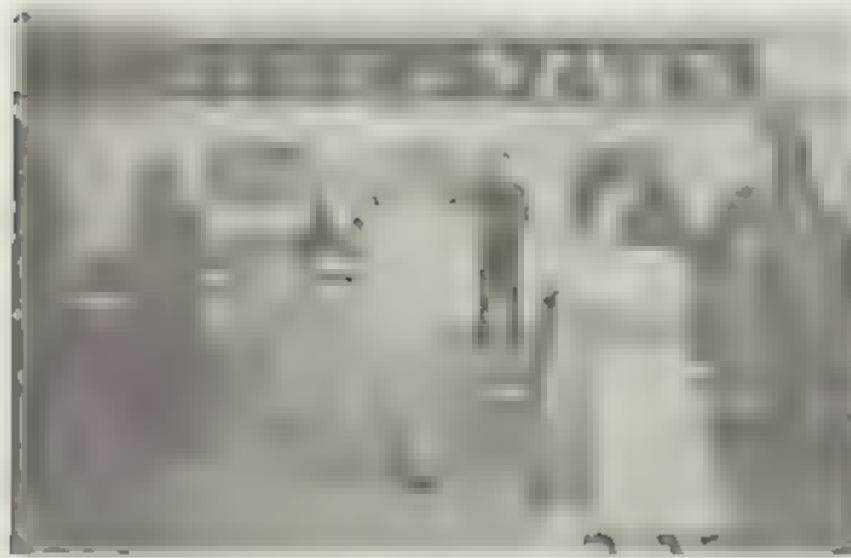

On November 7, 1953, Wilbur High School presented its annual carnival. The only new booth at this year's carnival was the jail, which proved to be very successful. Some of the other booths were: bingo, fishpond, ping pong, ducking pond, B-B shoot, pie walk, bean guess, marriage bureau, and concessions. Refreshments were served in the home economics room.

The grand prize was a blonde cedar chest. Second prize was an electric mixer, and third prize was a hassock.

All in all the carnival was considered a great success with a net profit of nearly \$600.

The chairmen in charge of the carnival were Ken Speegle, Del Schoolcraft, Carol Sheffels, Rhoda Hansen, and Jo Anne Reid.

SENIOR DANCE

On December 5, the annual Senior Dance was held from 11:00 P. M. until 1:00 A. M. in the hot lunch room. The theme chosen by the seniors was "Silver Bells. The gym was decorated with fir boughs which were placed around the room and silver bells which hung from a low ceiling made of white cheese cloth. Different colored spot lights shone around the room which gave it a pretty effect.

The punch was served by freshman girls out of a wooden sleigh which appeared to be led by reindeer.

Good music was provided by Don Zicha and his orchestra.

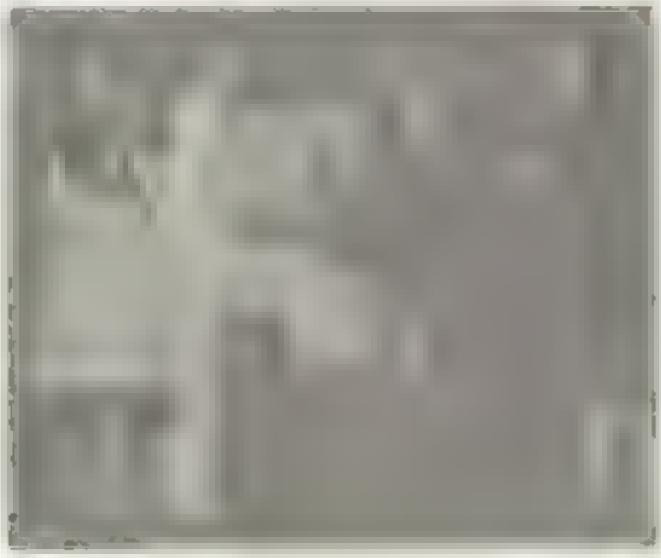

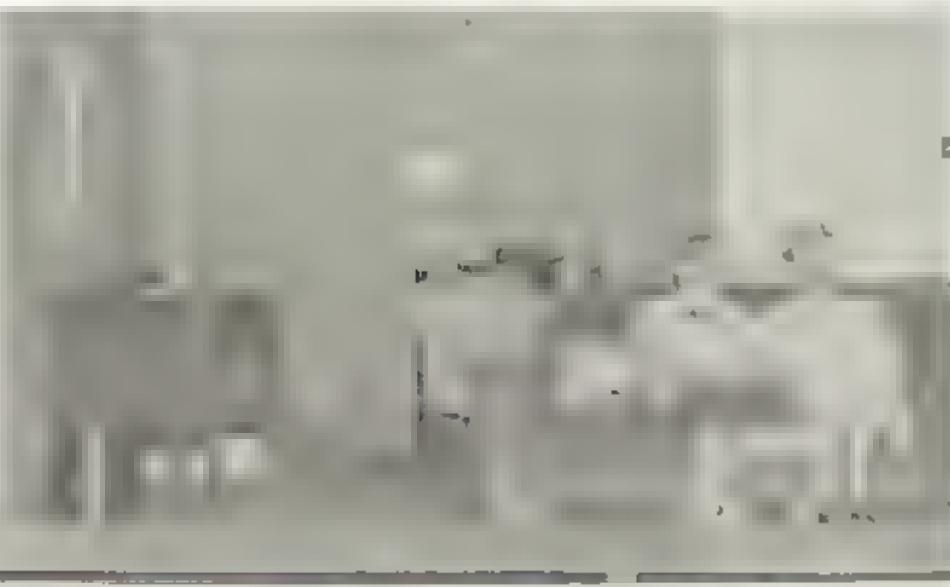

Junior Prom

The annual Junior Prom was held April 24 in the large gym. Dancing was held from 9:00 until 1:00 with music provided by the Gonzaga Collegiates.

Juniors chose their theme "Moonlight and Shadows," which was carried out very appropriately with shadows and flowers.

At 10:30 the King, Kennard Speegle and the Queen, Rhoda Hansen, who were chosen by the junior class, were crowned by the junior class president, Dean Bodeau. They were also presented with gifts. The King and Queen's crowns were made out of silver foil. At 11:00 Rhoda and Kennard led the Grand March, which consisted of juniors and seniors and their dates.

SCENES IN "THE LITTLE DOG LAUGHED"

Senior Play

Comedy was the main point of the Senior Play, "The Little Dog Laughed," which was given April 28 in the school auditorium. By the laughter of the audience, the play would be considered very successful.

All participants in the play and the audience will recall the paint fight, the tea party, and the thermometers for a long time.

Members of the Junior Girls Sextette are Donna McConnell, Barbara Bell, Carol Emerson, Nora Kincaid, Beverly Fisher, and Marlene Kutkey. These girls have entertained by singing at many different functions this year.

Sextette

A newly formed group this year is the Boys Quintette. They are also a singing group. The group consists of Dale Sumerlin, James Fisher, Peter Lyse, Barry McConnell, and Wally Kluver.

Football

Coach James Sullivan had 26 boys turning out this year. The team lost six or seven players from the previous year by graduation. The team made a good showing, especially considering the fact that this is their first year of playing eight man football. They **won 4 and lost 2, which is a pretty good record.**

Returning lettermen for this year were Del Schoolcraft, Ike Cook, Lloyd Axtell, Marvin Jensen, Daryll Bahr, Ken Speegle, Dean Bodeau, Alan McKay, and also Larry Cremeen, who was **elected captain of the year.**

The highlight of the season was the last game of the season when Wilbur defeated the unbeaten Lind Bulldogs. This was the only time that Lind was defeated, so the boys really had something to feel proud about.

BASKETBALL TEAM

The Redskins, working from a double pivot and using a fast break offense, set a very enviable record of twenty-one wins and six losses. In the sixteen game regular season, the Redskins swept both series from the following clubs, Coulee Dam, Edwall, Creston, Grand Coulee, Nespelem, and for the first time in eighteen years, Davenport. The Redskins split their series with Rerdan and Almira, their only losses, the latter defeated at the end of the season as they boasted a high spot on the Associated Press poll by a score of 54-53. The Redskins shared first place with Almira for the northern division of the Bi-County.

In the Christmas tourney the Redskins toppled a highly rated team from Okanogan County, Pateros, who boasted no losses to this game. Almira eliminated the Redskins in semi-final play.

In the county tourney the Redskins downed Lind and then fell to Ritzville and had to come back the hard way by defeating Odessa, then Lind again, and finally Almira at Harrington (59-56) eliminating them and sending the Redskins, as second place team, to the district tournament.

At the district tourney in Cheney, the Redskins toppled a highly seeded team from Cusick 39-54. In the second game the Redskins were behind for three quarters and then made a strong bid against Cheney but fell 59-56. Mead came next and was easily defeated 35-54. Fairfield came between the Redskins and a trip to the state tournament in Tacoma as they squeaked by, 54-53, a tired Redskin crew at the long end of seven games in nine days which concluded one of the most successful seasons in years.
